

Restaurant Revenue

Increased restaurant options have paved the way for continued revenue growth in the restaurant sector. 2007 was no exception with 8 percent growth. New dining options in 2007 included Blue Moose Burgers & Wings, Little Tokyo, Sonic Drive-in, Starbucks, Salsarita's, Texas Roadhouse, McAlister's Gourmet Deli and Chili's. In 2008, Tony Roma's and Flying Horse will open their doors for business.
